

Strathroy Caradoc Youth Hockey
P.O Box 26, Strathroy, ON, N7G 3J1

www.scyh.ca

Hello All;

We are about eight weeks into the season and from an organizational point of view all is going well. We sincerely hope all participants are having a great experience. Please don't hesitate to contact us through the website above or by phone for those not into computers.

First, a reminder that picture day is on Saturday, January 10th. The pictures will be taken in the West Middlesex Memorial Arena Auditorium. Attached is a time schedule for each team. Please arrive in plenty of time to be dressed, registered for any individual pictures needs prior to your scheduled time. The order forms are also included with this newsletter. For anyone that is new or have forgotten the league pays for a team picture only, any additional photos are the responsibility of the individual players.

Coaches and players please pick a name for your team and be prepared to give written names of the individuals in the photo in the order they are standing just in case they go in the Age Dispatch this year. I am not sure why but the Age did not do this, this past year, but we think we should be prepared just in case.

Just a reminder that all coaches and referee's are volunteers. They deserve to be encouraged and thanked for the time they devote to the league so all have a better hockey experience. We must all remember that NHL hockey referee's making \$100,000. plus per year make mistakes, so on occasion our volunteers will also make a bad call or miss one. It is part of the game at all levels.

We are short of volunteer referees for all age groups, any students who are interested please contact adrian@scyh.ca or sheila@scyh.ca. For high school students this does count as volunteer hours. In Group D which is the 14 to 17 year old group on Friday nights we need adults to referee this group, same contacts as above. Some weeks there are no ref's and one of the league's regulars for Friday evenings is out for the rest of the season due to shoulder surgery.

Also, KYIS in town has offered to donate spirit wear for the league, attached is an order form, if anyone is interested. Someone from KYIS will be present at picture day if anyone is interested in ordering a splash coat, sweatshirt, tee-shirt, hat etc. with Strathroy-Caradoc Youth Hockey's logo on it in black and red as above. It is also possible to have the players name and/or number on it as well. This is entirely up to the individuals if they would like to participate.

Merry Christmas and a Happy New Year,
Heather Langdon-Muldoon, President and the Board of Directors
